Want to learn more about the history of Morris County's Black Community? On February 21, 2024, the Morris County Human Relations Commission is presenting "*Chanceman's Brothers and Sisters: The origins of the 20th Century Morris County Black Community.*" The ZOOM program begins at 7:30 PM. Here is the link: [CLICK HERE](#)

This 30 minute documentary was produced at County College of Morris.

**The parade leaves from Morristown Town Hall at 12 Noon. We usually step off between 1:15 and 1:30 PM. The Town Hall is located at 200 South Street, across from Kings. It is about a 20 minute walk, and typical of a parade there are lots of pauses. Help us make a statement by marching with us. Need more information? Call Susan J. Waldman at 973 895 2218.

We Need YOU!!

Come march with us in Morristown on March 9, 2024, in the annual St. Patrick's Day Parade.**
